APA (Straight Taper Swoop)	1.210	3.000	0.750	2.500	0.750	4 1	All Accuracy International Profiles						

NOTE: Length can be added to the chamber end of the profile giving a total length of 30". Adding to the muzzle is by arrangement

NOTE: Profile dimensions can be increased/decreased proportionally all over, remembering maximum Dia is 1.240"

NOTE: We are prepared to add any popular factory profile or special profiles with Justification

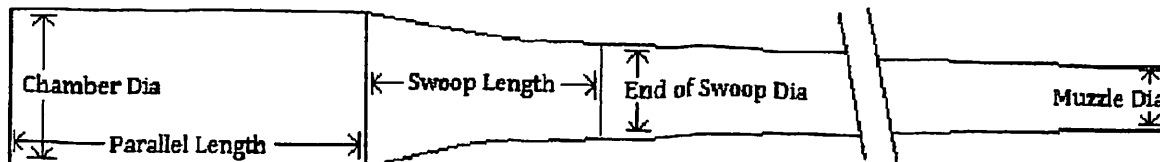

NOTE: Muzzle diameters are from 26" unless stated otherwise

NOTE: N/A means profile is a Straight Taper

NOTE: Total max length is 30"

NOTE: All weights are approx

NOTE: All lengths shown are usable
